Protection: A watertight design allows the camera to be submerged up to 10 metres, and all comes with industry-leading 3 year warranty for ultimate peace of mind.

Product description

Perhaps you are the kind of person who desires perfection. Perhaps you long for the perfect companion on your adventures; a kind of camera that seamlessly integrates into your active lifestyle capable of capturing your experiences in the highest possible definition in a sealed, water-tight design.

Perhaps you are also the kind of person who desires performance, which means you strive for results: In camera placement, review, and storage of your recorded footage.

And if you are - Then are you also the kind of person who, above all else, desires protection...?

desire2

Then this is the Desire2 See Outdoors in 4K Ultra HD Abyss Action Camera presented in a sealed, water-tight design. Waterproof without need for a case to give ultimate freedom.

With the ability to submerge the camera without a case up to 5 metres and record high definition video up to 3840x2160 pixel Ultra HD @ 25FPS 2.7k @ 30fps, 1080P @ 60fps, 720P @ 120 fps, through a wide angle 150 degree 6G lens with an 8 megapixel sensor, the option to review your footage using the crystal clear built-in 2.0" LCD display or remotely up to 20 metres via Wi-Fi on the free, compatible app, the ability to store your content on a MicroSD card up to 64GB, the ease of camera placement using any of the several mounts included for securing to your helmet, bicycle and more, and all of this including industry-leading 3 year warranty for peace of mind, the Desire2 See Outdoors in 4K Ultra HD Abyss Action Camera could be your ultimate object of desire.

The SPORTCAM APP available on Apple itunes and Google Play allows you to view real-time footage while using WiFi. You can Control your camera's recording options, change the camera photo and video capture options and post directly to social media.
